Deliver the Curriculum for Excellence with confidence! **Heinemann Active Maths** is a brand new activity-led maths programme created for Scottish Primary schools, with the Curriculum for Excellence and Active Learning at its heart.

Heinemann Active Maths has been developed by our expert author team to unpick the Curriculum for Excellence outcomes and experiences into manageable and meaningful classroom outcomes.

With Heinemann Active Maths you can:

- **Follow an active approach to maths teaching and learning** with an emphasis on real-life situations.
- **Engage your pupils** with a bank of stimulating, varied and exciting interactive and print-based activities.
- **Help your children develop a concrete understanding of maths concepts** through investigation and discussion.
Active learning

- Interactive activities help to bring individual, group and whole-class learning to life.
- Incorporates problem solving, talking and listening and real-life maths contexts.
- A broad selection of pupil activity sheets to keep children motivated and engaged and promote self-assessment.
Active teaching

Teacher Activity Cards provide all the support you need to make the most of each activity and include key questions and opportunities for challenge and further investigation.

An easy-to-use Online Activity Planner puts you in control of your maths curriculum and progression planning.

Interactive teaching software enhances the development of skills and concepts.

Reusable full-colour game boards encourage collaboration and bring maths to life.
Heinemann Active Maths provides you with the activities and support you need to implement the Curriculum for Excellence, with carefully planned progression through Early, First and Second Levels.

- Unpicks the outcomes and experiences of CfE into manageable and achievable outcomes.
- Delivers smooth skills progression from one CfE outcome to the next.
- Helps you to evaluate pupils’ responses to inform your planning – perfect for Assessment is for Learning.
Exploring Number, First Level - available Summer Term 2010
Exploring Number, Second Level - available Autumn Term 2010
Other Areas of the Maths Curriculum - to follow in 2011
