PERSONALIZE FOR LEARNING

English Language Support
Display words that tell about order of events: first, next, after, last, afterward, subsequently, before, before long, as soon as, later, and finally.

Present these events from “The Seventh Man” and have students use time-order words to explain the sequence in which they occur in the story. EMERGING PL7

Have students provide using the time-order words and phrases to describe the order of events in a section of “The Seventh Man.” BRIDGING PL7

As students become more comfortable describing order of events, have them combine sentences and create more complex sentences to describe events in the story. DIGITAL TEACHER’s Edition

English Language Support Lesson on order of events is available in the Digital Teacher’s Edition.
