Introduction

This document demonstrates how ***Pearson Realize™ American History, ©2016*** meets the C3 Framework for Social Studies, Grades 6-8. Correlation page references are to the Student Edition and Teacher Resources.

Pearson is excited to announce its NEW *American History* program for middle grades! The program is designed to unlock the exciting story of our nation’s history with engaging stories, activities, and opportunities for drawing connections from the content to students’ own lives, expanding their understanding of American history and why it remains important today. The program bridges time-tested best practices, curriculum standard expectations, and technology to help prepare students to be college and career ready all while unlocking the exciting story of our nation’s history. The program is available in print, digital, and blended options.

Pearson American History uses a research tested, four-part learning model to enhance teaching and understanding.

1. **Connect:** Students make learning personal as they connect to content through a story and activate their prior knowledge, personal experience, and perspective.
2. **Investigate:** Students actively learn, investigate, and acquire key content knowledge through a variety of components both in print and digital.
3. **Synthesize:** Students extend their understanding by applying what they just learned in a quick recap and “pull-it-all-together” exercise before they move on to the next lesson.
4. **Demonstrate:** Students demonstrate their understanding through a variety of authentic, formative, and summative assessments.
