A Correlation of myPerspectives, Grade 11 to the Common Core State Standards for English Language Arts

Introduction

This document demonstrates how *myPerspectives™ English Language Arts* meets and supports the **Common Core State Standards**. Correlation page references are to the Student Edition and Teacher’s Edition and are cited by page reference.

myPerspectives™ is a powerful, student-centered Grade 6-12 program that values the perspective of the learner and focuses on a consistent approach to improving learning and achievement. Compelling literature, interactive digital tools, and quality instruction work together to make English Language Arts culturally, socially, and technologically relevant. *myPerspectives* empowers students and teachers and transforms the classroom of today into a dynamic and engaging environment for next-generation learners.

The program is a blended integrated curriculum that promotes student ownership of their learning through goal setting, student choice, and reflection. *myPerspectives* encourages social collaboration and links together knowledge, skills and learning behaviors. In addition, *myPerspectives* is backwards designed for the end of the unit Performance-Based Assessment. It provides next-gen learning experiences that promote higher achievement and develop the competencies needed for college and career readiness. Interactive learning blends print and technology in a student-centered, teacher-inspired classroom.

In *myPerspectives*, students:

- read classic and contemporary texts that span time periods and cultures;
- engage in meaningful activities that inspire thoughtful conversation, discussion, and debate;
- share ideas and collaborate on projects;
- develop important lifelong skills to help them think critically, build knowledge, effectively communicate, and strategically use technology in order to formulate and defend their own perspectives.

In each unit of study, students will read classic and contemporary fiction and nonfiction texts, and view/listen to media selections, all related to an Essential Question. Independent activity, whole group and small group learning, Close Reads, and Comprehension Checks all work to deepen student confidence as well as an understanding of the text. The many interactive features available on the digital platform allow students to further their connections with the texts, and they can write directly in their Student Edition to make interaction with texts more meaningful. *myPerspectives™* connects to 21st century learners in rewarding, meaningful, and profound ways.
