Introduction

This document has been created to provide the teachers with a correlation of **Scott Foresman Social Studies** © 2011 and **iOpeners** © 2003 to the *Scholastic Guided Reading Orange 3rd Grade Social Studies Titles*. Correlation references for **Scott Foresman Social Studies** are to the Teacher's Edition and the Leveled Readers. The lessons in the Teacher's Edition include facsimile pages of the Student Edition. **iOpeners** correlation references are to the Teaching Plan (TP).

Scott Foresman Social Studies Student Edition and Teacher's Editions

Scott Foresman Social Studies Student Edition provides compelling primary sources, numerous colorful visuals, and the You Are There writing style captivates students and engages their interest in social studies. Through special lessons and activities, students learn the responsibilities of citizenship at every grade level. Each unit provides explicit, built-in reading and vocabulary instruction to build comprehension and test-taking skills. Teacher's Editions develop students' social studies and literacy skills with flexible, comprehensive social studies content. The Teacher's Edition helps keep things simple with the Quick Teaching Plan, or adds depth with explicit, four-step reading instruction.

Scott Foresman Social Studies Leveled Readers

Three *content* leveled readers per unit for every grade reinforce the same key social studies content at below-level, on-level, and advanced reading levels.

iOpeners

iOpeners equips K-6 students with the skills and strategies they need to access and comprehend nonfiction so that they're not only learning to read but reading to learn. The high-interest content and eye-popping photography of iOpeners brings science, social studies, and math topics to life, raises student achievement in reading, and boosts standardized test scores. iOpeners also helps to:

- Empower students to succeed on high-stakes tests through ample, built-in standardized test practice.
- Build comprehension and raises student achievement in reading through specific nonfiction text features and genres.
- Connect nonfiction reading to nonfiction writing with activities that prepare students for life.
- Support curriculum requirements in science and social studies, with links to standards.
- Motivate students with high-interest content and striking visuals.
