Introduction

This document demonstrates how *myPerspectives*[™] *English Language Arts* meets the objectives of the **Louisiana Student Standards for English Language Arts**. Correlation page references are to the Student Edition and Teacher’s Edition and are cited by selection or feature title.

myPerspectives[™] *English Language Arts* is a learning environment that focuses on a connected approach to student learning. Students read texts and engage in activities that inspire thoughtful conversation, discussion, and debate.

Students will encounter authors’ perspectives as they read literature from across time periods and cultures. Students will listen to the perspectives of their peers through conversations and collaborative activities. And, as students read the literature and engage in activities in *myPerspectives*, they will formulate—and defend—their opinions as they develop their own perspectives.

In each unit of study, students will read classic and contemporary fiction and nonfiction texts, and view/listen to media selections, all related to an Essential Question. Students will use technology to interact with texts and activities, and they can write directly in their Student Edition to make interaction with texts more meaningful.
