Scott Foresman Social Studies

This document demonstrates the high degree of success students will achieve when using **Scott Foresman Social Studies** in meeting the Utah Core Curriculum Standards. Correlation page references are to the Teacher's Edition. Lessons in the Teacher's Edition contain facsimile Student Edition pages.

Scott Foresman is pleased to introduce our new **Scott Foresman Social Studies**, Kindergarten through Grade 6 - the social studies program that helps every child become an active, involved, and informed citizen.

Content

Scott Foresman Social Studies content covers the key social studies strands: Citizenship, Culture, Economics, Geography, Government, History and Science/Technology. **Scott Foresman Social Studies** content is organized for a flexible teaching plan. If time is short, teachers may use the Quick Teaching Plan to cover the core content and skills or to add depth, teachers may use the wealth of information in each unit.

Accessibility

Scott Foresman Social Studies provides systematic instruction to improve comprehension and to reach out to all learners. In every unit, reading skills are developed through built-in lessons. Target comprehension skills are pre-taught and then applied throughout the unit for sustained practice. Graphic organizers provide support for every skill.

Motivation

Scott Foresman Social Studies is filled with compelling visuals, intriguing facts, and exciting real-world learning. Colonial Williamsburg Lessons provide exciting, special features from the nation's largest living museum. Dorling Kindersley Visual Lessons provide bold, large-as life photographs with interesting, easy-to-read expository captions. Music lessons introduce or reinforce important concepts and vocabulary. Discovery Channel School projects provide exclusive, hands-on unit projects that synthesize and enhance learning. A special feature entitled You Are There provides captivating suspense-packed reading that builds excitement and lets students experience the event from a personal perspective. A Web-Based Information Center continually updates information, maps, and biographies.

Accountability

Scott Foresman Social Studies provides built-in skill lessons in every unit and multiple assessment tools to develop thinking citizens. Informal assessment opportunities monitor children's learning and provide If/then guidelines with specific reteaching strategies and effective practice. Formal assessment opportunities assess children's learning and provide practice for key test-taking skills. Test-taking strategy lessons provide test preparation for national and state tests.

Course Descriptions

Students will investigate how environments and communities change over time through the influence of people. They will survey indigenous (native) people of the United States and compare their environments and cultures with those of South America. One comparison will be the indigenous Inca people of South America. Expanded geography and map skills will assist students in their study of world connections. Using social studies, character, and life skills, students will examine communities and gain a better understanding of government, economics, and citizenship.

Course Descriptions

Through the lens of time, students will establish a chronology of critical events in the various time periods of United States history. It is not the intent that students study the historical events in depth. The curriculum is set to teach in three time periods: one-half of the time is to be used in studying the New World and the foundation of our nation; one-fourth, the 19th century (1800-1900); and one-fourth, the 20th century (1900 to the present). Students will examine the impact of people and places on the emergence of United States culture and history. Character and life skills will help students understand citizenship rights and responsibilities. Using social studies skills, students will compare governments, geography, and cultures of Canada and Mexico with those of the United States as students continue to make world connections.
