Online Tutoring that picks up where you leave off

Students and parents often wish they had more support at home. Pearson Tutor Services picks up right where you leave off in class. Highly skilled tutors provide online, one-to-one help on the Pearson curriculum you're teaching. It's like having an extra teacher to extend your lessons at home.

Tutor Services

- Live, online one-to-one tutoring sessions
- Instant homework help and quiz reviews
- For math and science curriculum
- Tutors Available 7 days a week (3:00 P.M. – 2:00 A.M. EST)
- Accessible from any computer
- Sessions are recorded and available for playback as often as needed

School Purchasing Plans

Free for the first 2 years of the math or science adoption. One hour per student per month (based on the number of student editions purchased).
