Getting Help  
When Lost

## Freda Is Found

(Sung to the tune of "The Farmer in the Dell")

If ever I get lost, I know just what to do.

I stay real calm and count to ten.

I know just what to do.

I look around for help. I look around for help.

A grownup here will help me out.

I know just what to do.

I tell them who to call. I tell them who to call.

I say my name and where I live.

I know just what to do.

If ever you get lost, you'll know just what to do.

Stay calm, get help, and tell your name.

You'll know just what to do.

## Emma's Friendwich

(Sung to the tune of "I'm a Little Teapot")

Let's be friends together.

Start today.

Let's smile and ask

Our friends to play.

We will help our friends

And we will share.

Let's show our friends

How much we care.
