Ramp up for the Regents

Give students the tools they need to practice the essential skills required to excel on the New York Regents exams.
Built specifically around the New York State Core Curriculum, Brief Reviews meet the needs of all student populations and include:

- Detailed review of key concepts and skills
- Notable authors who are experts in their fields
- Updated current events and foreign policies (United States History and Government)
- Recent global events and international policies (Global History and Geography)
- Practice exams to build students’ test-taking stamina
- Thematic essay and document-based question (DBQ) practice
- Pretests for every unit to help create a study plan
