

CONNECTED MATHEMATICS 3

Connect to Mathematical Ideas in Spanish

Language shouldn't limit our students

Connected Mathematics 3, or **CMP3**, is an inquiry-based mathematics program for Grades 6-8. Now the program can help your Spanish-speaking students! Spanish resources include teacher support, student books, assessment, eText, and more. Get connected in Spanish.

Spanish Teacher Companion

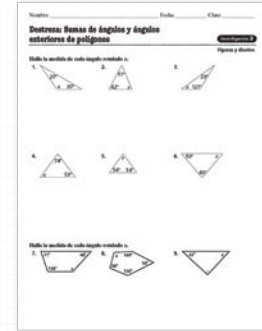

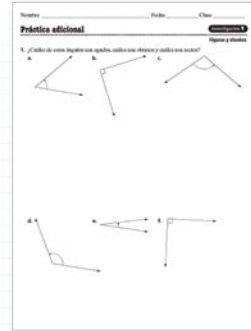

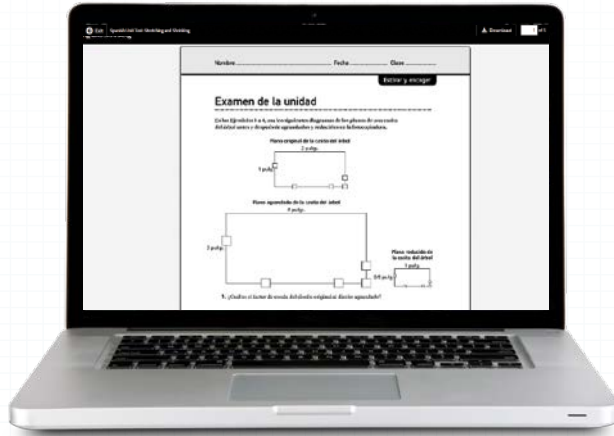

Teacher support includes a Spanish translation for the Launch-Explore-Summarize inquiry model that guides every **CMP3** Investigation.

Spanish Student Editions

Available individually or in one hardbound volume. **CMP3** students develop math practices that require they look deeper and communicate their understanding of mathematics.

CONNECTED MATHEMATICS 3

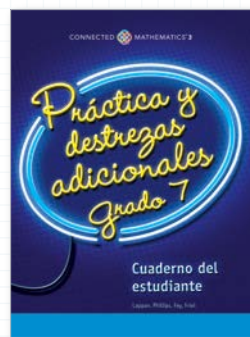

Improve Performance!

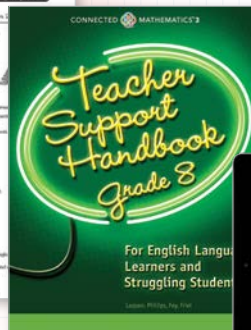

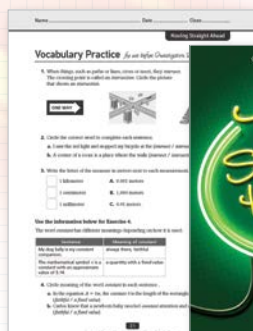

Assessments are provided in Spanish. **Spanish Additional Practice pages** and **Teacher Guides** are available in print and online.

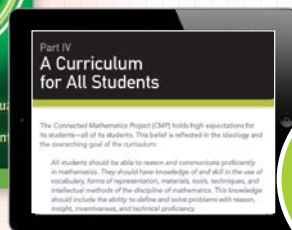

Parent letters in Spanish explain the program and Unit expectations.

Student eText in Spanish is available online.

The **Teacher Support Handbook** offers strategies and guidance for adapting the curriculum for all students.
