

ABOUT THE AUTHORS & REVIEWERS

Jeff Madura is Emeritus Professor of Finance at Florida Atlantic University. He has written several textbooks, including *Financial Markets and Institutions*. His research on finance has been published in numerous journals, including *Journal of Financial and Quantitative Analysis*; *Journal of Money, Credit and Banking*; *Financial Management*; *Journal of Financial Research*; and *Financial Review*. He has received awards for excellence in teaching and research and has served as a consultant for financial institutions. He has served as a director for the Southern Finance Association and Eastern Finance Association, and also served as president of the Southern Finance Association.

K. Michael Casey is a Professor of Finance at the University of Central Arkansas. He has a doctorate in finance from Louisiana Tech University and has served as a media consultant for Active Learning Technologies, Inc. and a subject matter expert for Pearson Education. He has published over 80 refereed journal publications in such journals as *The Financial Review*, *The Journal of Computer Information Systems*, *The Review of Business Information Systems*, *Real Estate Review*, *The Journal of Property Investment and Finance*, *The Journal of Real Estate Finance and Economics*, *The Quarterly Review of Economics and Finance*, and *The Journal of Lending and Credit Risk Management*. Dr. Casey has also worked as a Registered Investment Advisor Representative for Mustard Seed Financial, LLC, a fee-only financial planning firm and previously held an Arkansas real estate sales license.

Sherry J. Roberts has been teaching for over 30 years. She taught 14 of those years as a business education teacher at the secondary level. Dr. Roberts currently teaches at Middle Tennessee State University in the Jennings A. Jones College of Business. Her presentations include international, national, regional, and state levels on the subjects of instructional technology and business education. As a consultant for Roberts Educational Consultants, Dr. Roberts provided professional development in instructional technology, writing portfolios, open response, and business education. She also has been an instructor with various states on Personal Finance instruction. Her doctorate is from the University of Louisville in Curriculum and Instruction.

Reviewers

The authors extend their thanks to the many people who have offered their support and guidance throughout this project. Mike Casey would like to thank Sherry Roberts for having such a great idea and pushing him to collaborate, and Sherry Roberts would like to thank Mike Casey for listening to her idea and helping to transform that idea into a book.

We would like to thank the following educators who have generously shared their constructive criticism on every chapter and feature during the development of this edition:

Randolph S. Ankrom,
Geneva High School, Ohio

Susan D. Bigelow,
Pershing Middle School, Texas

Brian Burkett,
Maricopa High School, Maricopa, Arizona

Erich Carroll,
Old Rochester Regional High School, Massachusetts
